

Announcing Request for Proposals for Research Posters and Oral Presentations

General Conference Department of Education Research Awards

The 2022 [General Conference Virtual Exhibition Poster Session](#) is a unique professional opportunity for graduate students, educators, and educational researchers to connect with a global audience and engage in professional development. This is a Request for Proposals for a poster presentation, including a prerecorded oral presentation, based on your original completed research. Video presentations should not exceed 15 minutes.

The [General Conference Education Department Research Award](#) is in the amount of **USD\$50** which is directly paid to the GC Virtual Exhibition to cover the submission fee for each of 20 selected awards. Poster proposals receiving the award will be showcased at the General Conference Virtual Exhibition Poster Hall in the General Conference Education Department zone.

Theme: Current Issues in Research and Inquiry

To apply for the research award, use the guidelines below to create and submit the following on or before March 15, 2022:

- a 100-word abstract
- a prototype of the poster (Word or PDF)
- a 3–5-minute video summarizing the research (MP4)

Poster prototypes may be in English, Spanish, Portuguese or French; however, all abstracts must be in English. The video summary may be in any language.

[Guidelines for developing the poster](#)

[SUBMIT an application](#) through the JOURNAL OF ADVENTIST EDUCATION's Editorial Manager website. Select 'Register Now' to create an account. When prompted, select 'Exhibition Proposal' as the article type.

Evaluation and Review Guidelines

- Relevance to Adventist education (which could be basic science research): **40%**
- Demonstrates how the research might be replicated or is of relevance at other locations: **20%**
- Completed by an Adventist graduate student or early-career researcher: **20%**
- Visual appeal of poster and quality of oral presentation: **20%**

Timeline
